

# Pulmonary Fibrosis Peer Connect

Are you living with Pulmonary Fibrosis or caring for someone with Pulmonary Fibrosis?

Lung Foundation Australia's Pulmonary Fibrosis (PF) Peer Connect service matches people living with PF and their carers with someone going through a similar experience.

## Why be involved?

- Connect with someone who understands
- Share experiences and knowledge
- Chat from the comfort of your own home on the telephone.

## How can I be involved?

To find out if you are eligible and to be linked, please contact Lung Foundation Australia's Information and Support Centre freecall **1800 654 301** or email [enquiries@lungfoundation.com.au](mailto:enquiries@lungfoundation.com.au)

*It's a godsend to have someone to call who can understand what you are going through.*

**Enquire now**
